

# MEDIUM FLEET

## OUR PRODUCT

- Designed for fleets of **25 – 250+ units**.
- We offer a **comprehensive coverage package** including auto liability, general liability, cargo and physical damage.
- **Basket deductibles** enable cohesive protection across multiple coverages.
- **Flexible policy limits** accommodate your specific needs.
- We are proud to offer **deductibles ranging from \$0 to \$35,000**, so you can be selective in choosing the amount of risk you take on.
- You have the ability to **link to our other lines of business**, including workers' compensation and independent contractor programs—making us your go-to for your risk management needs.

---

## WHAT DO YOU GET WHEN YOU CHOOSE PROTECTIVE?

- A company that knows and understands the trucking industry, with over 80 years of trucking experience.
- A commitment to partnerships that doesn't just begin with the policy—we write each account for the long haul, with the intent of being your long-term partner in trucking.
- An experienced Underwriting team dedicated to writing deductible coverage on trucking fleets.
- Our industry-leading Loss Prevention & Safety Services and Claims team, which can help you manage your risk and develop a best-in-class safety culture.

**Whatever your needs, we have the expertise, knowledge and flexibility to ensure that they are met.**
